A range more specific to cleaning of solvent based inks and varnishes with a variety of attributes. Also used as diluents with varying properties.

Available packaging for this range is in 25lt, 200lt and 1000lt container.

Product Code/Description		Additional Info
PC850	FlexoSolv S	Slow evaporating diluents and cleaning agent for flexographic inks.
PC851	FlexoSolv M	Medium evaporating diluent and cleaning chemical for flexographic inks.
PC852	FlexoSolv R	Retarder diluent for flexographic solvent based inks and varnishes.
PC853	Gravosolv S	Slow evaporating diluents and cleaning agent for gravure.
PC854	Gravosolv M	Medium evaporating diluent and cleaning chemical for gravure.
PC855	Gravosolv F	Fast evaporating diluent and cleaning chemical for gravure.
PC856	Gravosolv R	Retarder diluent for Gravure solvent based inks and varnishes.

Pure Solvent Range

A core range of products used primarily in flexographic printing

Available packaging for this range is in 25lt, 200lt, 1000lt container or bulk pumped.

Product Code	Description
PC839	TSDA3 (Denatured Ethanol)
PC840	ETHYL ACETATE
PC841	ISOPROPYL ACETATE
PC842	NORMAL PROPANOL
PC843	SBP/DSP 100/120
PC844	ISOPROPANOL
PC845	METHYL PROXITOL ACETATE
PC846	METHYL PROXITOL
PC847	GLYCERINE
PC848	NORMAL PROPYL ACETATE
PC849	SHELLSOL T

Personal Protection

The Printchem personal protection range consists of product specifically engineered for the pressroom.

Available packaging is listed within the description.

Product Code	Description
PC726	Antibacterial Hand Cleaner in a 5lt pump dispenser
PC728	Gel Antibacterial Hand Cleaner in a 5lt bucket
PC729 / PC730 / PC731	Disposable Vinyl Gloves (Medium, Large or Extra Large). Packaging 100 gloves per box. Only sold in cartons of 10 boxes
PC732 / PC733 / PC734	Disposable Nitrile Gloves (Medium, Large or Extra Large). Packaging 100 gloves per box. Only sold in cartons of 10 boxes
PC735 / PC736 / PC737	Heavy Duty Nitrile Gloves (medium, Large or Extra Large). Packaging 10 pairs per pack. Only sold in boxes of 120 gloves.
